Letton Hall, Norfolk

27th – 29th April 2018

ABOUT THE WEEKEND

Every couple of years we spend the weekend together in the special atmosphere of Letton Hall, a former stately home in Norfolk. Letton Hall has been run as a Christian conference centre for many years and provides excellent facilities for our weekend.

The house has about ten acres of grounds with plenty of space for outdoor activities - it even has a go-kart track, which we can use on Saturday morning. Indoors, there is a games area in the basement, two large sitting rooms, a dining room and bedrooms across several floors, including some with easy access for the less able.

Carter Goolsby is our guest speaker this year. He pastors Mechanicsville Christian Centre in Richmond, Virginia, USA (www.mccag.org) where he has served for over 30 years. We are thrilled that he is able to come to our weekend, where he will be teaching on the theme of Discipleship.

We hope that as many of us as possible will be able to join for the whole weekend, or at least for the Saturday. It is a great opportunity to deepen our relationships with each-other, and with our Lord.
